USA+ is committed to the promotion of
Equal Access to Health Care
for all Americans.

Real Benefits, Real Value, PLUS We Really Care!
About USA+

United Service Association For Health Care (USA+) is a non-profit membership association chartered in Washington, D.C., in 1983. USA+ was founded to benefit the lives of individuals and families by promoting equal access to health care. In November of 1987, USA+ became one of the first membership associations in the United States to provide quality benefits programs for individuals and families that were previously available only to employees of large corporations.

USA+ is NOT an insurance company. USA+ identifies the needs of its members and finds the nation’s top providers of products and services to satisfy those needs. Through the size of its national membership, USA+ leverages its contracts with providers to negotiate benefits for its members. USA+ Benefit Plans may consist of insured and non-insured benefits. Members will have access to insured benefits through the group policies that have been issued to USA+ by A.M. Best rated insurance companies.

USA+ is committed to the promotion of equal access to health care for all citizens of the United States, but more specifically, for members of our association. USA+ stays abreast of legislation proposed by state regulators that may have a favorable or adverse impact on our membership population. When necessary, we contact regulators in order to have an opportunity to convey the views of USA+ members. USA+ also encourages its members to get involved by contacting their local and state leaders to be sure that their voices are heard. USA+ believes that together, we can make a difference.

USA+ and its members impact the lives of people in need all across the nation, giving to charities that make a difference, and improving the quality of life for many people who are facing difficult challenges. Through the United Service Association For Health Care Foundation (USA+ Foundation), members of USA+ are able to contribute effortlessly. A portion of the membership dues collected each month is donated to the USA+ Foundation. Through the combined contributions of our members, that small amount has exceeded $8 million awarded to more than 200 worthwhile charities, community programs and national research programs. The United Service Association For Health Care Foundation can receive donations from businesses, other foundations, and individuals. If you want to make an additional tax-free donation, please send it to the address listed below. If you do not want to participate in this program, please send a letter to the address below.

USA+ is an accredited member of the Better Business Bureau with an A+ rating, a member of the Arlington, Texas Chamber of Commerce, and the U.S. Chamber of Commerce.

Membership in USA+ is NOT insurance nor is it meant to represent an insurance contract. Some of the benefits available to our members are NOT Insurance. This is an Association Membership offered and administered by United Service Association For Health Care. As added membership benefits, all active members are automatically covered under certain group insurance policies purchased by USA+. The benefits are underwritten by A.M. Best rated insurance companies and subject to the exclusions, limitations, terms and conditions of coverage as set forth in the insurance certificate provided in your membership materials and the Policy issued to USA+. Not available in all states. Please contact USA+ for state availability.
The Privileges of Membership include the following:

**USA+ Benefits Protector**

Many individuals lose their job due to a company re-location, company downsizing or as the result of natural disasters. For most individuals, loss of employment also means a monetary loss.

The Benefits Protector program helps cushion the impact of economic downturns that occur. Should you lose your job through no fault of your own, we will be there for you. Your membership dues will be waived and your membership benefits will continue for three (3) months. *

*Certain Terms and Conditions Apply.

**USA+ Scholarship Program**

USA+ is committed to the promotion of equal access to health care for all Americans. In order to ensure equal access to health care, it is important that there are sufficient medical providers available to serve the public. For that reason, USA+ developed a scholarship program. This program will provide scholarships to outstanding high school seniors that show promise of continued academic performance. This program is only available to dependent children and grandchildren of USA+ members and will allow deserving students to attain their educational goals.

We add up to $25,000 of insurance coverage to protect against financial losses, a US based team of professional Fraud Resolution Specialists™ to clear your records, tax fraud specialists to help clear issues with the IRS, financial specialists to help resolve financial hardships that can result from identity theft, and finally, we provide discounted legal services should the issue require the intervention of an attorney.

ID Monitoring*

CLC ID Protect Plus includes continuous 24/7 Social Security Number and Personal Information Monitoring with text and email alerts that notify you of possible misuse of your SSN and personal information and suspicious activity. ID Monitoring is a vital component in defending your most valuable asset, your identity.

*CLC ID Protect Plus does not monitor all transactions at all businesses. No service can stop all identity theft events.

ID Protection

CLC ID Protect Plus uses email and text alerts to notify you of suspicious activity involving your SSN and personal information. If your identity is stolen you will receive up to $1,000 in identity theft insurance† coverage available for fraud-related losses and expenses, such as lost wages or legal expenses.

† Identity Theft Insurance underwritten by insurance company subsidiaries or affiliates of American International Group, Inc. (AIG). The description herein is a summary and intended for informational purposes only and does not include all terms, conditions and exclusions of the policies described. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.
