The Privileges of USA+ Membership

United Service Association For Health Care (USA+) is a non-profit membership association chartered in Washington, D.C., in 1983. USA+ was founded to benefit the lives of individuals, families, the self-employed, small business owners and their employees nationwide. USA+ became one of the first membership associations in the United States to provide quality benefits programs that were previously available only to employees of large corporations. USA+ identifies the needs of its members and finds the nation’s top providers of products and services to satisfy those needs and negotiates favorable pricing for its members. Membership packages may consist of insured, non-insured benefits and consumer savings programs. USA+ is NOT an insurance company. Members will have access to insured benefits through the group policies that have been issued to USA+ by A.M. Best rated insurance companies.

USA+ is committed to the promotion of equal access to health care for all citizens of the United States. We stay abreast of legislation proposed by state regulators that may have an adverse or favorable impact on our membership population. When necessary, we contact regulators in order to have an opportunity to convey the views of the association’s members. USA+ engages in nonpartisan research, study and analysis for the benefit of the general public regarding the health care system of the United States and will on occasion publish the results of our research.

The USA+ Foundation is a non-profit organization providing grants to worthwhile charities nationwide and has awarded over $7 million to more than 200 organizations. Foundation grants to date include: American Diabetes Association, Cystic Fibrosis Foundation, Habitat for Humanity, Muscular Dystrophy Association, St. Jude Children’s Research Hospital®, United Cerebral Palsy, Watson Children’s Shelter, and The Women’s Shelter, just to name a few.
